Does mom love to read? Don't forget to give her some quiet time to read this Mother's Day. Surprise her with these handmade bookmarks for her latest book.

Print out the bookmark of your choice (pages 2-5). If you chose a coloring template, decorate it before cutting.

Step 1

Cut out the bookmark, and fold along the dotted lines.

Step 3

Stick the remaining folded side onto the "glue" side. You should be able to open up the inside of the bookmark as shown above.

Step 2

Using a glue stick, glue the flap with the words "glue" on it.

Step 4

Voila! Surprise mom with your handmade bookmark.
